## Intro

V1 I hear the train a comin'    shes rollin' 'round the bend  
 And I ain't seen the sunshine since    I don't know when  
 But I'm stuck in Folsom Prison    and time keeps draggin' on  
 But that train keeps a-rollin'    on down to San An - tone

V2 When I was just a baby    My Mama told me, "Hon,"  
 she said "always be a good girl    and don't ever play with guns"  
 But I shot a man in Reno,    just to watch him die  
 And I hear that whistle blowin'    I hang my head and cry

## Solo

V3 I bet there's rich folks eatin' in a fancy dining car  
 They're probably drinkin' coffee    and smokin' big cigars  
 But I know I had it comin'    I know I can't be free  
 But those people keep a-movin'    and that's what tortures me

V4 Well, if they freed me from this prison, if that railroad train was mine  
 I bet I'd move out over a little farther down the line  
 Far from Folsom Prison    that's where I want to stay  
 And I'd let that lonesome whistle    blow my blues a way
